With 3 spacious bedrooms with air conditioning, double garage, roof terrace and a total area of 225m² living space, this property is ideal for families looking to settle down in a vibrant community.

Built in 2008, this 3 level house offers plenty of space. The entrance at the lower level leads into a patio from where the stairs lead you to the first level. Step inside and you'll be greeted by a spacious hallway which to the left leads into the open lounge/dining room with wood burner, adjacent is the kitchen. In the hallway are further stairs which lead up to the 3 bedrooms or down to all the extras on the lower level.

The master-bedroom with air-conditioning and built in wardrobes has an en-suite bathroom with bath. Also from this bedroom you have some distant sea views. The two remaining bedrooms, both with built-in wardrobes and air conditioning share a balcony overlooking the garden. The second bathroom is adjacent to the bedrooms.
